

**2018 – 2019 ICE COMMITTEE REPORT
WEST KILDONAN SENIORS' RECREATION CLUB**

Our Club presents sports as social entertainment!

With affiliations, we offer Curling, Golf, Lawn Bowling & Baseball.

Your Ice Committee manages Curling activities as our path to fun.

This past season, we have introduced many improvements to our Curling program & here is summary of our innovations:

1. 1. We are a FUN CLUB. A clear & posted statement reminds us all that our number one goal is Fun.
2. 2. All Curlers are winners – In all four rounds & Novelty events, we are paying out over \$1,500.00 for this season.
3. 3. Team formations are introduced for each round based on random choice & individual requests for time availability &/or positioning. Team positioning can be changed by team agreement.
4. 4. We normally program members for four rounds at two days a week. We also allow less than four rounds & now accept one day a week.
5. 5. We are now allowing bye teams to accommodate even more curlers.
6. 6. We welcome spares & suggest the following procedures be followed –
 1. a. Any spare can play any position as set by team decision.
 2. b. Recruiting spares is the responsibility of the team's skip.
 3. c. Spares must first come from a bye team – otherwise anybody.
 4. d. Members can spare for free as much as available &/or needed.
 5. e. Non- members pay \$5.00 as a credit to future membership fees. However, their first game is free.
7. 7. Game now ends when a bell rings at 1:50 – finish the end you are on.
8. 8. We now program a Fun game & prizes between each of our four rounds. We can consider ideas for any game imagined!
9. 9. We now program some after-game free coffee, snacks & social time.
10. We provide inter-club curling at no cost – sign-up sheets available.
11. We provide curling instruction for individuals or groups.
12. We will respond quickly & fairly to any members' concerns or requests for improvements or clarifications,
13. We promote the curling code of ethics, fair play & curling etiquette.
